If it is your first visit to the Google Classroom, you will need to follow the next steps, if not, you should see your classes and be able to select a class to see what work is waiting for you.

If it is your first visit, please follow these steps. Click Accept.

#### Then Continue

You will then be asked to pick your role. I'm a student 🙂

Then you will need to click Join to see your classes.

Then you will be able to see your work and messages.

If you have been asked to complete challenges using J2E, please click on the J2E link on the Class Stream or go to Classwork and click on the Useful Logins Assignment and the J2E link.

If it is your first visit on a computer, you will have to select an account to use. Choose the same account as your Google Classroom login (you may be prompted to enter your password – this is the same as your Google Classroom password).

#### You will need to Allow access and will need to scroll to the bottom of the screen to click allow.

#### J2E will then launch
