Dear Families,

As promised... our wonderful school community with their Christingles last week!

'Whatever I have, wherever I am, I can make it through anything in the One who makes me who I am'
Philippians 4:13

It has been strange not being in school this week but I have heard that everyone has worked incredibly hard! A special mention goes to Osprey Class who have really impressed us in Archery and Fencing this week. They have all listened incredibly carefully over the last 4 weeks and are now all beginning to really focus, use strategies and work as a team to be the best they can be. In Archery, they have developed their strength, coordination and balance, composure and precision, the vast majority of the arrows are now hitting the targets and the number of 10's being scored increases weekly. In Fencing, Coach Chris has been amazed by the way everyone is now starting to think strategically about how to score points, they have developed their skills as participants, coaches and judges!
