Dear Families,

It's been very productive down in Forest School this week, there has been lots of den building, bug hunting, bug hotel making, tool skills and climbing! I know the new mud kitchen Mr Anson has made has been well received by all year groups. Ecology Club have started planning and making bug hotels for their wilding area, I look forward to updating you later in the term.

Photographs

Hopefully you all received your photo proofs at the beginning of the week, don't forget to get your orders in early to get your early bird discount!

Tissues

We are desperately short of tissues in school, if you have any spare boxes at home or if you are able to pop a couple of boxes in your trolley, we would greatly appreciate it.

Have a wonderful weekend!
