From the Headteacher

A very warm welcome to the start of another school year at Ibstone! A special welcome to all our new families who have had children start with us this year.

I'd like to begin this newsletter by thanking all the parents and children for all the lovely gifts you gave to the staff last year. It was very kind of you to think of us.

This year promises to be a very busy one, with a lot of exciting activities planned. We will be sending home the year planner with all the important dates on it next week, so you will know what to expect!

Today we are sending home the curriculum plans for your child's class for the term ahead, so that you will have an idea of the topics and subject areas that we will be covering. There is also some general information from your child's class teacher on the curriculum letter for you to read. Children in Busy Bees class will be bringing home reading books today, and there is further information about this on their curriculum letter. Busy Bees will begin homework next week and spelling tests the week after.

I am looking forward to working with you all this year, I hope that it will be a brilliant one for all of us.
