Issue 16 – Friday 13<sup>th</sup> January 2017

Dear Families,

What an exciting way to end the week! The children all thoroughly enjoyed a slightly off plan day.

Today, apart from having fun in the snow, all the children made a Christingle for the service on Sunday at 3pm. Hopefully the children will have remembered what each part of the Christingle represents. The whole school enjoyed sitting quietly in the hall with their lit Christingles while they thought about the children that are supported by The Children's Society.

This week the Ladybirds have started their Fairy Tales topic and have been learning about Cinderella, there have been a number of princes and princesses popping down to the office. They have also been counting lots of different objects and matching numbers.

In Woodland class we have been looking at Hairy Maclary stories and have enjoyed linking our literacy work to PE and music. In mathematics we have been continuing learning about time and have been focusing on telling the time to o'clock, half past, quarter past and quarter to. In science the children have started their topic on humans and have been finding out about what keeps us healthy. All the children will be bringing home a 'Change for Life - How food smart are you?' pack next week, these contain some games, stickers and healthy recipes.

I look forward to seeing you on Sunday at 3pm for our Christingle service.

Louise Long  
Headteacher

## Home Learning

### Big Talk

Can you think of a poem about snow?

### Maths Moments

EYFS – Can you draw a snowman using 2D shapes? How many buttons, carrots and sticks will it need?

Woodland – Squirrels (Yr1) – Look carefully at the clocks in your house, what time do you get up/ go to bed/have dinner?

Badgers (Yr2) – Can you solve time problems? Ask a grown up to challenge you...

I went to the cinema at 4 o'clock, the film was 2 hours long, what time did I leave the cinema?
